

First Queensland Biohumanities Conference (1QBC): The Conceptual Impact of the Genomic Revolution

14-15th October 2005,
Institute of Molecular Bioscience, UQ St Lucia

Friday 14th October:

- 2.00 What is a gene? Karola Stotz (Indiana), Paul Griffiths (Queensland)
- 3.00 Commentary: Peter Godfrey-Smith (ANU & Harvard)
- 3.30 Coffee
- 4.00 Panel discussion: John Mattick (Queensland); Rachel Ankeny (Sydney); Samir Okasha (Bristol)
- 5.30 Session Ends
- 6.00 Conference Party

Saturday 15th October

- 9.00 What is a genome? Maureen O'Malley (Egenis) & John Dupre (Egenis)
- 10:00 Commentary: Lenny Moss (Egenis)
- 10.30 Coffee
- 11:00 Panel Discussion: John Mattick (Queensland); Mark Ragan (Queensland); John Wilkins (Queensland)
- 12:30 Lunch
- 2:00 Behavior Genetics in the Postgenomic Era. Kenneth Schaffner (GWU)
- 3:00 Commentary: Jon Kaplan (Oregon State)
- 3:30 Coffee
- 4:00 Panel discussion: Rachel Ankeny (Sydney); John McGrath (Queensland); Wayne Hall (Queensland)
- 5.30 Conference Ends
